Sariah's House Song

Chorus: Welcome in we'd love to have you join our family.
It's a joy to have you with us and to share our songs of praise.
We know that you'll enjoy the joy you feel around you here.
Welcome in to the Family of God.

Can't you feel a special kind of new excitement here,
You wonder why we look so happy when we talk about our Lord.
It's because he's more than just religion - He's a part of us.
We belong to the Family of God.

Repeat Chorus.
